

DARE TO DREAM

In its 10th year, Arizona Woman celebrates the women of the Million Dollar Club

This year's Million Dollar Club members have one thing in common: They dared to dream, especially in a year with economic challenges. Presented on the following pages are the 2010 Million Dollar Club members. To qualify, a business must be at least 50 percent woman-owned and report at least \$1 million in revenue for 2009.

Each year, *az* magazine recognizes women who represent their peers in the Million Dollar Club in four areas: innovation, growth, community service and lifetime achievement.

This year's selection process was not easy! The 168 women on the following pages display passion and drive for what they do within their organizations, as well as in their communities. The four achievers we selected stood out because of their local impacts.
